LifeGift invites you to support our annual 2nd Chance Runs being held in Houston, Saturday, September 14, 2024 at MacGregor Park and at the Fort Worth Stockyards on Saturday, October 19, 2024.

Sponsorship provides your organization with a way to meaningfully support and honor our donor heroes and their families, recognize transplant recipients and their caregivers, and raise awareness of those who are waiting for their second chance at life. Your organization's sponsorship will support the race logistics; additional funds will help finance donor family/recipient meetings and donor memorials. Both of these events pay tribute to the legacy of organ, eye, and tissue donors in meaningful ways.

Thank you for considering how you might generously partner with LifeGift in the efforts to increase the number of lives saved through organ, eye and tissue donation. Please consider sponsoring our 2024 2nd Chance Run events in Houston and Fort Worth!
